Clinic

UCSF GI Faculty Practice
 350 Parnassus Avenue, Suite 410
 San Francisco, CA 94143-0657
 Phone: 415-353-2318
 Fax: 415-353-2407

Since my advancement in July 2005 to Associate Professor of Clinical Medicine, the major change in my clinical activities has been the launching of the Intestinal Rehabilitation Program. My outpatient and inpatient clinical activity continues to involve general gastroenterology and specialized consultation in motility and functional gastrointestinal disorders, as well as endoscopy.

Education

- 1983-1987 University of California, Berkeley B.A. Biochemistry
- 1987-1991 University of California, San Francisco M.D. Medicine

Training

- 1991-1992 Stanford University Hospital Intern Medicine
- 1992-1994 Stanford University Hospital Resident Medicine
- 1994-1995 Stanford University Hospital Chief Resident Medicine
- 1995-1998 University of Michigan, Ann Arbor Fellow Gastroenterology
- 1997-1999 University of Michigan, Ann Arbor M.S. Clinical Research Design and Statistical Analysis

Certification

- 1992-now Medical licensure, California, # G 75684
- 1999-now California Radiography and Fluoroscopy Supervisor and Operator Certification # RHD 146990
- 1994-now American Board of Internal Medicine
- 1997-now American Board of Internal Medicine, Gastroenterology

Memberships and Affiliations

Memberships

- 1998-now Member, American Gastroenterological Association
- 1998-now Member, American Society for Gastrointestinal Endoscopy
- 1998-now Member, American College of Gastroenterology
- 1999-now Member, International Foundation for Functional Gastrointestinal Disorders
- 2001-now Member, Functional Brain-Gut Research Group
- 2002-now Member, American Motility Society
- 2003-now Member, Gastroenterology Research Group

Service to Professional Organizations

- 2000-now American Gastroenterological Association, Digestive Disease Week Abstract Selection Committees, Reviewer
- 2004 American Gastroenterological Association, Clinical Practice Committee, Clinical Guidelines Reviewer
- 2005 American Gastroenterological Association, NSAID Consensus Conference, Expert Panel Member
- 2005 American Gastroenterological Association, Expert Commentary on Wellpoint Health Networks Medical Policy on CT Colonography
- 2005-2007 American College of Gastroenterology, Public Relations Committee Member
- 2005-now American Society of Gastroenterology, Annual Scientific Program Endoscopy Committee, Outcomes Section Member
- 2006-2007 American Society of Gastroenterology, Strategic Planning Advisory Group Endoscopy Member
- 2006-now American Society of Gastroenterology, Digestive Disease Week 2008 Endoscopy Postgraduate Course, Co-director
- 2007-now UCSF Alumni Association Board Member
- 2007-now American College of Gastroenterology, Research Committee Member
